**Not sure which class to take? Use the labels below to help you!**

**Core:** These classes are available to provider's just starting daycare or those who have been doing day care less than a year.

**Basic:** These classes are available to provider's who have been in day care for 2-5 years and provide more topic variety than the core classes.

**Advanced:** These classes are available to providers who have been in day care for over 5 years and are taught from the perspective that providers already know and are implementing the core foundations of providing quality care.

**ALL:** These classes are required for all family day care providers.
