Sanford SELECT

Your health is everything

If you've been looking for a Medicare supplement insurance product, or want to replace your current plan, we are proud to offer you Sanford SELECT.

Sanford Health has been providing outstanding medical services to the people of this region for over 100 years. That expertise and experience is reflected in Sanford SELECT.

Sanford SELECT offers the following benefits:

- Affordable premiums
- No copays
- Paperless claims filing
- No prior-authorization or pre-certifications required
- Choose your own doctor, including specialists
- Care provided by quality Network facilities
- Local agents you know and trust are available to represent the Sanford SELECT plan
- Sanford Health Plan provides a toll-free line staffed by professionally trained representatives that understand your Medicare benefits
- Free membership card that gives you discounts on prescription drugs, vision and hearing at participating local pharmacies and providers

What is a Medicare SELECT Plan?

A Medicare SELECT plan is a standard Medicare Supplement Plan with a "Network" of health care facilities. A Network means a hospital or provider that has an agreement with Sanford Health Plan and has been designated to provide services for this product.

What Network facilities must I use if I become a Sanford SELECT Member?

Except in an emergency, your coverage includes the Network of participating Sanford SELECT hospitals or outpatient surgery centers.

Who can join the Sanford SELECT Plan?

Anyone who has Medicare Parts A and B can apply for coverage with the Sanford SELECT Plan. You must physically live in one of these Minnesota counties to join the SELECT Plan: Cottonwood, Jackson, Lac Qui Parle, Lincoln, Lyon, Martin, Nobles, Murray, Pipestone, Redwood, Rock, Watonwan, or Yellow Medicine.

What coverage do I have when traveling outside the Sanford SELECT service area?

You are always covered for emergency and urgent care services while traveling outside of the Sanford SELECT service area.

If I join the Sanford SELECT Plan, can I continue to see my doctor?

Yes, there are no Network requirements on doctors or clinics, including specialists. However, if you need to be hospitalized, your doctor will need to have admitting privileges at a Network hospital or surgical center.

MINNESOTA RATES

Non-Tobacco Users

Plan	Monthly Rate	Annual Rate
Basic	\$105.93	\$1,271.16
Extended	\$247.09	\$2,965.08

Tobacco Users
