

Grow. Together.

You spoke. We listened. We're growing.

At Sanford Health, we're growing the future of health care in Moorhead. We are proud to offer families a new state-of-the-art facility, broadened services and better care than ever before.

The new \$13 million facility expands patient access so that families living in Moorhead and surrounding communities don't have to travel far to get expert care. Families will experience a broad range of clinic services, including:

- internal medicine
- family medicine
- pediatrics
- obstetrics and gynecology
- orthopedics
- occupational medicine
- behavioral health
- outreach services

The new campus has been designed with you and the community in mind and will be well-equipped with the most advanced technology.

Families will have access to comprehensive outpatient services, including:

- advanced radiology
- ultrasound
- full service pharmacy
- advanced information technology
