Sanford Tech Summit FAQ

What is the Sanford Tech Summit?

Sanford Health's Tech Summit is a competitive group-based event designed to inspire current and prospective information technology experts, researchers, healthcare providers and scientists to find and explore creative solutions for real-world technology and data problems impacting the healthcare industry.

Where is the Sanford Tech Summit located?

The tech summit will take place at the Sanford Imagenetics Building
1321 W 22nd St. Sioux Falls, SD 57105

When is the Sanford Tech Summit?

The Sanford Tech Summit will take place on October 5-6.

What are the project topics?

- Frictionless Patient Experience: How can healthcare be as convenient as shopping at Amazon?
- Treatment Transparency: How can patients truly manage their chronic diseases?
- Seamless Data Transitions: How can a patient easily own their health data?

Who can attend the event? Is there a cost to attend?

The event is open to college students and there is no cost to participate!

Are there any prizes for the best ideas/projects?

Winners will receive cash prizes totaling $25,000!

Is there a cap to attendees?

Attendance is limited to 100.

When does registration close?

Participants can register up to the day of the event: October 5th.

Where can I register?

Registration can be completed at https://www.sanfordhealth.org/classes-and-events/sanford-health-tech-summit/10-5-19

What if I don't have a team?

Not a problem! Participants can register as part of a team or join individually and be assigned to a team by event staff.
