HEALTH

SANFORD **USD MEDICAL CENTER**

Postgraduate Year One Pharmacy Residency

*Preparing pharmacy residents to be
leaders in the health care industry
while providing exceptional patient
care in diverse clinical settings.*

Our Program

Sanford USD Medical Center offers three ASHP Post Graduate Year One (PGY1) Pharmacy Residency positions. The program is a 12-month commitment with a start date of July 1. Our program offers a variety of experiences in diverse areas with guidance from a team of preceptors, many of which are residency trained and board certified. Residents are mentored throughout the year and grow personally and professionally.

Program Structure

Required Experiences:

Internal Medicine
Pediatrics
Critical Care
Anticoagulation
Medication Safety

Longitudinal

Administration/Practice Management
Drug Information
Education
Service

Elective Experiences:

Nutrition
Nephrology/Transplant
Emergency Medicine
Oncology
Infectious Diseases
Neonatology
Ambulatory Anticoagulation Services
Pharmacogenetics

Qualifications & Application

All residency candidates must meet the following prerequisites:

- Earned a PharmD degree from an accredited college of Pharmacy
- Hold an active pharmacy license, or be eligible for licensure in South Dakota

Application materials and deadline will be managed through PhORCAS:

- Letter of intent
- Curriculum Vitae
- Academic transcripts
- Three reference submissions

Applicants considered for a position will be invited for an interview with pharmacy administration, preceptors, current residents and will be required to review and present a brief case study.

Stipend & Benefits

The stipend is competitive and updated annually. Additional compensation is available for optional per diem staffing shifts. Contact the Residency Program Director for the most current information.

Residents are provided paid health insurance and 24 days of Paid Time Off. All required travel expenses are also covered.

Sanford Health

Sanford Health is an integrated health network headquartered in Sioux Falls, SD and Fargo, ND and consists of two long-standing organizations that merged in 2009. Sanford is now the largest, rural, not-for-profit health care system in the nation.

Sanford Health includes 45 hospitals, 290 clinic locations and more than 1,400 physicians. With more than 28,000 employees, Sanford Health is the largest employer in North and South Dakota.

Sanford USD Medical Center is affiliated with the Sanford School of Medicine and offers Internal Medicine, Family Medicine, General Surgery, Transitional Year, and Pediatric medical residencies.
