

Dear Residency Applicant,

Thank you for your interest in the Postgraduate Year One (PGY1) Pharmacy Residency Pediatrics track at Sanford Medical Center Fargo.

The PGY1 residency at Sanford Medical Center Fargo and Sanford Children's Hospital is ASHP accredited. A structured/goal-oriented program is designed to meet the resident's needs. The residency consists of rotations individually tailored to the goals and interests of the resident. Rotations currently available include: Pediatrics I & II, Pediatric Intensive Care I & II, Neonatal Intensive Care I & II, Pediatric Infectious Disease, Family Medicine Acute Care, Pediatric Oncology, Pediatric Administration and Safety, Pediatric Emergency Medicine, Academia, Pediatric Medication Safety, and Informatics. Longitudinal experience will be obtained in drug information, medication safety, teaching, professional development, and pediatric pharmacy practice. Additionally, a research project will be completed during the 12-month experience.

The resident has many opportunities to teach pharmacy students from the North Dakota State University College of Pharmacy including interacting with fourth year students on rotation and completion of a teaching certificate in collaboration with NDSU.

The current staffing commitment for the residency is approximately one weeknight each week and every third weekend. Residents also have the opportunity to work additional shifts as a per diem pharmacist. Residents are guaranteed one day off per week and are not permitted to work in excess of 80 hours per week. This includes any employment outside of Sanford.

Residents are provided health insurance, dental insurance, life insurance, and 20 days of vacation (includes sick days). The stipend is competitive and updated annually. Residents are financially supported to attend the ASHP Midyear Clinical Meeting and the Midwest Pharmacy Residents Conference to present their research project.

To apply for the PGY1 Pediatrics Track residency at Sanford Medical Center Fargo you must submit the following by **January 1st** through **PhORCAS**:

- Letter of interest (include clinical areas of interest and reason for pursuing a residency)
- Current Curriculum Vitae
- College transcript(s)
- Three (3) letters of recommendation

An on-site interview in Fargo, North Dakota, is required for qualified applicants. Interviews are conducted in January and February and may include a short clinical case and/or a 15-minute presentation by the candidate. If you have any questions please feel free to contact me at your earliest convenience.

We look forward to receiving your application!

Sincerely,

Carlina Grindeland, PharmD, BCPS, BCPPS
PGY1 Pharmacy Residency Program Director
