The PGY1 pharmacy residency conducted by Sanford Health Ambulatory Care Clinics in Fargo, ND is accredited by ASHP.
TEACHING OPPORTUNITIES

- Teaching certificate program (in conjunction with the North Dakota State University College of Health Professions)
- Layered resident/student learning
- Small group leading
- ACPE accredited Grand Rounds
- Medical education

QUALIFICATIONS AND APPLICATION

All residency candidates must meet the following prerequisites:

- Be an eligible graduate of an accredited school of pharmacy
- Hold an active pharmacy license, or be eligible for licensure in both North Dakota and Minnesota

Application materials must be submitted through PhORCAS by January 1st and include:

- Letter of interest (including clinical areas of interest and reason for pursuing residency)
- Curriculum vitae
- College transcript
- Three letters of recommendation

Applicants considered for a position will be invited for an interview with pharmacy administration, preceptors and current pharmacy residents in January or February.

The PGY1 positions are determined through the ASHP Resident Matching Program. All PGY1 candidates must register with the ASHP Resident Matching Program.

Stipend and Benefits

The stipend is competitive and updated annually. Additional compensation is available for optional per diem staffing shifts. Contact the residency program director for the most current information.

Residents are provided with health and dental insurance, life insurance and vacation days (personal, professional, and sick days). Residents are supported to attend the ASHP Midyear Clinical Meeting and the Midwest Pharmacy Residents Conference.
