

Sanford USD Medical Center Sioux Falls 2021-2022 PGY-1 Pharmacy Residents

Alli Lakness, PharmD

College of Pharmacy: South Dakota State University

Clinical Interests: Infectious disease, cardiology, anticoagulation

Research Project: Evaluating the use of DOACs in post-bariatric surgery patients

Favorite Thing about Sioux Falls: Lots of great restaurants and places to shop, many different outdoor activities, and fun entertainment such as concerts!

Email: alexandra.lakness@sanfordhealth.org

Madison Bader, PharmD

College of Pharmacy: University of Wyoming

Clinical Interests: Pediatrics, critical care, and internal medicine

Research Project: Effects of discharge counseling for pediatric patients on readmission rates and parent satisfaction

Favorite Thing about Sioux Falls: There are lots of cool state parks nearby to explore, great restaurants/shops, and fun things to do!

Email: madison.bader@sanfordhealth.org

Natalie Sovell, PharmD

College of Pharmacy: South Dakota State University

Clinical Interests: Internal medicine, infectious disease, pharmacogenomics, academia

Research Project: Evaluation of morbidity and mortality of cefepime versus piperacillin-tazobactam for Gram negative infections

Favorite thing about Sioux Falls: I enjoy all of the shopping opportunities and the variety of restaurants – there is always something new to explore!

Email: natalie.sovell@sanfordhealth.org

Sanford Imagenetics

2021-2022 PGY-2 Clinical Pharmacogenomics Resident

Samantha Frear, PharmD

College of Pharmacy: University of the Sciences – Philadelphia College of Pharmacy

PGY-1 Residency: Detroit Medical Center – Children’s Hospital of Michigan

Clinical Interests: Pediatrics, oncology, informatics, medication safety

Research Project: Retrospective Analysis of the Efficacy and Tolerability of Pharmacogenomic Guided Therapy in Pediatric Anxiety and Depression Disorders

Favorite thing about Sioux Falls: I enjoy the outdoor activities Sioux Falls has to offer, especially with its many parks and trails!

Email: samantha.frear@sanfordhealth.org
