GRADING SCALES

Students must achieve at least a 78% (C) in each didactic course and for every Clinical Grade in order to continue in the program. Any student who receives a final course grade of less than 78% will be dismissed from the program. There is NO option for appeal. Courses cannot be repeated.

1. **For all Clinical and Didactic coursework:**
   94 - 100% = A
   86 - 93% = B
   78 - 85% = C
   Below 78% is failing

2. **For LAB:**
   98 – 100% = A
   94 – 97% = B
   90 – 93% = C
   Below 90% is failing

- Students are given mid-course grades at the midpoint of each course.
- Students are given final course grades upon completion of the course.
- Students are given 1-year grades (including clinical and didactic) at the end of the first year/2nd semester.
- Students receive a final transcript upon completion of the program.

1st semester (Clinical Education I) - end of January
2nd semester (Clinical Education II) - end of July
3rd semester (Clinical Education III) - end of January
4th semester (Clinical Education IV) - end of May

Graduation Requirements

A radiography student is eligible for graduation only after meeting the following criteria:

1. Completion of all equipment checklists.

2. Completion of all didactic courses with a of 78% (C) or higher.

3. Completion of all Clinical Grades (and requirements) with a 78% (C) or higher. Clinical requirements include:
   a) Objective Checklists
   b) Competency Evaluations
   c) Weekly Performance Evaluations

4. Completion of all LAB courses with a 90% (C) or higher.

5. Completion of all clinical hours, including any make-up hours.

6. Completion of required rechecks.

7. Training in BLS or ACLS, vital signs, sterile and medical aseptic technique, transferring patients, and care of patient medical equipment.

8. **Payment of all tuition and fees**
   The Program Director will NOT verify completion of the program with the ARRT until the student has paid all fees. This includes final tuition to the student's college of enrollment.

Program completion date is always the last Friday in May.

- Upon completion of the Program, students will receive a **certificate** from the Sanford Radiography Program.
- Students will be granted their **degree** in Radiologic Technology from the University to which they are enrolled and paying tuition accordingly.
- Sanford Radiography Program will send students' final transcripts to their University, upon successful completion of the program.

There is no early graduation from the program.

Job Placement
The Radiography Program does not guarantee job placement upon completion of the Program. However, students will be made aware of job offers that are sent to the instructors. Students are offered assistance with resume' writing and interviewing skills during their Professionalism I and II courses.
