# How to register for Swimming Lessons

*Members must register on our website [sanfordhealth.org](http://sanfordhealth.org). Click on Wellness Center and then select Kids and Family. Under Kids and Family you will see Swimming Lessons. Make sure to select the location (Tea/Ellis). Registration for the Spring 2019 sessions begin April 8 at 11:00 am. To make the registration process easier, please make sure you have the correct address on your membership account. The member that is taking lessons must also have their correct birthday on file and must be active on the account. Please make sure to update information *before* the day of registration because classes do fill quickly. We highly suggest calling or stopping in the week before registration. When you register online, be prepared to make the \$5 payment. No registrations are accepted without payment. All payments are non-refundable.*

*Non-Members must call (605)323-6964 to register. Registration for the Spring 2019 sessions begin April 15 at 11:00am. Please have your card for payment ready. The cost is \$50 for non-members. All payments are non-refundable.*

Sanford Wellness Aquatics believes that ALL children enrolled in swimming lessons have the right to safely learn to swim. Children that are unable to safely participate in a class or children that are distracting from the learning environment will be given three chances to correct their behavior. If the child is still unable to be successful, the child will be asked to sit on the edge of the pool for a short amount of time. Parents are encouraged to assist in correcting their child's behavior during this time, but should not interrupt the class. Parents with concerns are encouraged to talk to instructor about their child before/after class if the instructor is available or schedule a later time for discussion.

We thank you for your cooperation in ensuring the best learning environment for our students.
